WALT: Understand what limited opportunity looks in an historical community, the U.S. prior to the Civil Rights Era.

Instructions: Use what you have seen and learned in today's discussion to answer the two questions below. <u>Please use full and descriptive sentences</u>.

1. Describe one photograph which shows how education, services, and other opportunities were restricted for non-white people.

2. What do you think the effects of these limited opportunities might be? For example, if nonwhite children did not have a decent place to live, what impacts might that have on their lives?
