## Information Wants to be Free

WILF: The main idea from three different information sources, each about equal access to information.

**Instructions:** In your own words, write one or two sentences to explain the main idea in each of the following information sources:

**1. Effects of Introducing Internet at a Village Public Library in Ukraine** (video clip)

**2. The Life of Andrew Carnegie**

**3. Information Wants to be Free** (video clip)

In your own words, explain the importance of access to information. Use examples from today's lesson to support your reasoning.
