

My favorite place is in Spain in Torilla on the beach. When I am there I can play with a dog called Archie we play fetch with the ball in sea.

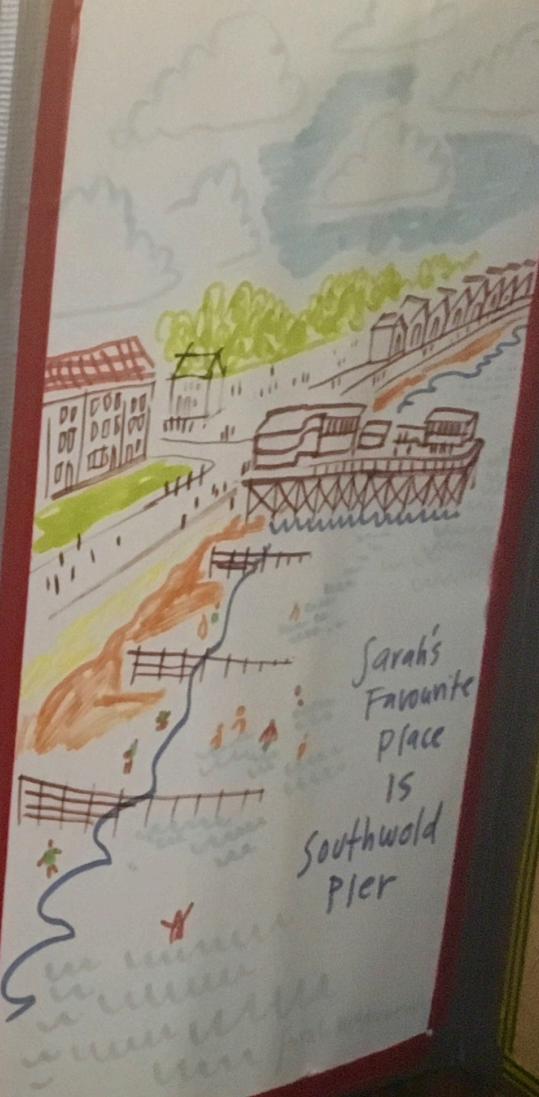

My favourite place in the world is Goa. It is a very famous beach in India. Lots of tourists come to Goa. I like it because I love swimming in the cool water. The sand is the perfect place to play and enjoy in the evening. By Vini

Welcome to Kingston

My favorite place is Kingston Ontario. That is where I lived before my family moved to Stuttgart. I like it there because I have alot of friends and people are very kind. I also like that on the street where I lived, my friends and I could play hockey on the road. by Sam

Sarah's Favourite Place is Southwold Pier
